Subject: Cultural Resources Concurrence Request, Kennecott Utah Copper, Copperton Concentrator, M/035/0011, Salt Lake County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received an amendment proposal for the referenced mining operation. The area proposed to be disturbed is approximately 15 acres in Section 6 of Township 3 South, Range 2 West, SLM. Enclosed with this letter is a copy of the cultural resources survey report provided by the operator.

The survey for cultural resources found two isolated occurrences. Accordingly, the Division of Oil, Gas and Mining has determined that there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

Paul B. Baker
Minerals Program Manager
